## Circular

Dear Parents,

We are pleased to inform you that **The Springfield Nursery** group has entered into a partnership with the **Taleb Group** of Schools to get first preference for the TSN students for admission in KG-1 in any of the following schools under the Taleb group:

1. Doha Modern Indian School (DMIS)
2. The Cambridge School Doha (TCS)
3. The Cambridge International School For Girls (CISG)
4. New International School in Wakra (expected to commence in 2018)
5. New Indian School in Wakra (expected to commence in 2018)

The TSN Management has made this arrangement to ensure hassle free admission for the TSN students to KG-1 in well established schools which offer very high standard of education till the higher secondary level.

Now the students from TSN will have priority for admission to KG in the above mentioned Taleb Schools, provided they confirm and join *before the end of January* for DMIS and *before the end of February* for TCS / CISG. However, to be eligible for this arrangement a student must complete two terms in TSN and should meet the admission criteria of the chosen School.

Regards,

**Mrs. Khan**  
Director
